

Criteria for evaluation of Standards Committee nominations (February 2019)

Criteria will be evaluated at 2 stages in the selection process:

1. To shortlist nominees for interview through teleconference based upon their MO's nomination, CV and statement of interest
2. From discussion during interview

Essential criteria

- Nomination documents focused to the Standards Committee role
- Quality of the CV reflecting the nominee's experience and skills that they would bring to the committee
- Evidence of commitment to similar previous roles
- Motivation for the role
- Evidence of their individual perspective of IFOMPT and postgraduate education that they would bring to the committee
- Ability and willingness to invest personal time to the role
- Confidence in written and verbal English
- Evidence of attention to detail through prior roles

Desirable criteria

- Previous working within IFOMPT
- Evidence of Continuing Professional Development within Education
- Evidence of excellence in communication and personal skills
- Confidence in use of Information Technology
- Evidence of skills of prioritisation of tasks
